Re: Case Identifier: CGB-CC-1266
CG Docket No. 06-181
Petition for Closed Captioning Exemption
Dismissal of Petition

Dear Ms. Sherrell:

By this letter, we are advising you of the current status of your above-referenced petition for exemption from the Federal Communications Commission's (FCC's) closed captioning rules.

We received confirmation from you on November 4, 2013, the local affiliate that broadcasts your program, "One-On-One", is exempted from our closed caption rules based on Section 79.1(d)(12) of the Commission's rules. Under Section 79.1(d)(12), no video programming provider shall be required to expend any money to caption any channel of programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year other than the obligation to pass through video programming already captioned when received. We note that this self-implementing exemption is a narrowly focused exemption and does not require a petition for exemption of our closed caption rules or prior FCC approval if the specific criteria are met. You should be aware, however, that, if circumstances change and the station becomes no longer entitled to a captioning exemption pursuant to Section 79.1(d)(12), you must comply with the FCC's closed captioning requirements contained in Part 79 of the FCC's rules with regard to the programming and will be required to caption your program. Per your request we have withdrawn your petition and accordingly, your petition has been dismissed without prejudice as of November 20, 2013.

If you have questions pertaining to this letter, please contact the FCC's Disability Rights Office at captioningexemption@fcc.gov.
